Additional Lyrics

2. We've known each other for so long.
Your heart's been aching.
But you're too shy to say it.
Inside we both know what's been going on.
We know the game, and we're gonna play it.
And if you ask me how I'm feeling,
Don't tell me you're too blind to see.
(To Chorus:)

3. We've known each other for so long,
Your heart's been aching.
But you're too shy to say it.
Inside we both know what's been going on.
We know the game, and we're gonna play it.
I just wanna tell you how I'm feeling;
Gotta make you understand.

The HOW-TO-PLAY Series

These books are written in Easy A-B-C Music. Covering all the basics, they offer a creative approach to self-instruction for all electronic keyboard buyers.

Getting Started • Contains the ABC's of playing electronic keyboards, introducing beginners to the fundamentals of music while learning easy-to-play songs. Imagine the fun when your friends and family hear you play well-known tunes in no time at all! Free A-B-C Key Stickers included. **GCP-GST-1**

Creating Sounds • Explains all those buttons and switches on your electronic keyboard and how best to use them. Also, what characteristics they possess and how you can use them to create beautiful and exciting sounds when you play. **GCP-CRS-2**

Exploring Automatic Features • Teaches you how to use Automatic Rhythm Accompaniment, when to play chords rhythmically and when to sustain them. Plus how to use Arpeggio and Fill-in (or Drum Break), when to change rhythms during a song and how to adapt standard sheet music to easy-play chords. **GCP-EAF-3**

Fun With Melodies • Brings out the musician in you and shows how to improvise and create melodies from chord progressions. Other subjects covered include how to add intros and endings, create 'frills' and turn-arounds, and, most important, how to phrase melodies with feeling. **GCP-FWM-4**

Fun With Chords • Shows how easy it is to form your own chords and use different chord positions to create accompaniments. You'll learn how to use simple chords for maximum effect to get that 'professional' sound. **GCP-FWC-5**

Fun With Harmony • Shows easy ways to create two- and three-part harmony and how to use harmony to create 'frills'. You'll learn how to create different harmonic styles and how to use the pyramid device with your right hand. **GCP-FWH-6**

Playing Electronic Keyboard For Beginners • Everything the beginner needs to start playing, all under one cover. 176 pages. Free A-B-C Key Stickers included. **40501**

When you're finished with this series, you'll be surprised how easy it can be to sound so good!

(All books are a convenient 6"x9" size.)
